SURETHIK®

New Hair Loss Technology

Reverse Hair Loss With
Anagain® & RootBioTec®

SureThik® has developed a 3 Step System For Thinning Hair. Our system is divided into three steps to target hair-loss. Our unique gender specific formulas for men and women ensure maximum product efficiency.

3 STEP SYSTEM FOR THINNING HAIR
3 ÉTAPES POUR LES CHEVEUX FINS

STEP 1: CLEANSER

Sulphate and paraben free designed to leave the hair & scalp clean and nourished.

STEP 2: BOOST CONDITIONER

Infused with Aloe and Argan, the Boost conditioner strengthens, adds volume, & makes the hair feel smooth & luxurious.

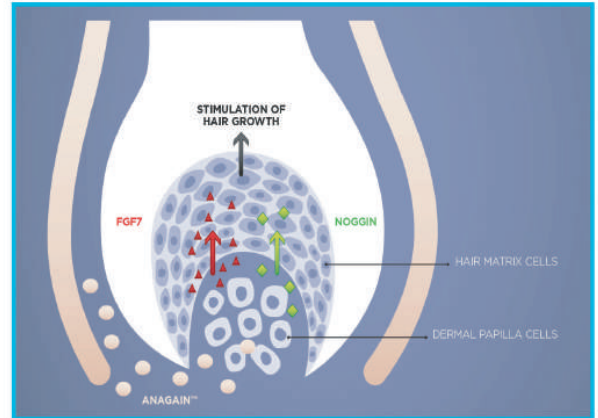

STEP 3: SCALPTX+

Using AnaGain® & RootBioTec®, ScalpTX+ thickens and revitalizes weak & thinning hair & improves hair density.

FOR ULTRA FINE HAIR:
ROOT THICKENING MIST
WITH EXPANSION TECHNOLOGY.

Give body and lift to ultra fine and limp hair.
Our Root Thickening mist is light weight and non-sticky. Spray into wet or dry hair. Blow dry to activate the expansion technology for incredible volume.

Organic pea sprouts (Anagain®), stimulates specific signal molecules in the dermal papilla required to reactivate hair growth.

Potent basil hairy root extract (RootBioTec®) successfully reduces hair loss by inhibiting 5A Reductase II activity and stimulates the dermal papilla cells.
